Dear Sir or Madam,

The Beard & Spurs Chapter of Oakland County, N.W.T.F, would like to thank you for hosting the JAKES Special Needs Event that was held on Thursday September 21, 2006. The event was a success again this year and the children had an enjoyable time participating in the different activities you had for them.

I am enclosing a set of proof pictures, a CD of all the pictures and a 5x7 of the group picture. I hope that you will be able to use these pictures on your web site and for any of your publications.

Thank you once again and we look forward to working with you on this project next year.

Sincerely,

Beard & Spurs Chapter, NWTF
